

GPRNA REGIONAL
PHONELINE
SUB-COMMITTEE
Letter to all Areas

Our Phonenumber has been successful over the years at fulfilling the fellowships primary purpose. We've been there for the sick and suffering addict reaching out for help for the first time. We've been there for the addiction with substantial clean time that needed help getting another day. For many we've been their first contact with the fellowship of Narcotics Anonymous .The Phonenumber is an important part of this fellowship.

The Philadelphia Region has been a leader in our worldwide fellowship with its automated phone line system designed by Verizon for NA. We wish to remain leaders and need your help and support to do so.

We must live and work together as a group to ensure that in a storm our ship does not sink. With faith in a Power greater than ourselves, hard work, and unity we will survive and continue to carry the message to the addict who still suffers. (Basic text pg. 60 Tradition One)

Gratitude must be given to the areas, groups and members who made donations to the Phone Line last year totaling \$3,900. Last years phone service billing for this region with Verizon was over \$10,000. The difference was taken care of by the RSOoffice. This year we seek to increase direct contribution to the Phonenumber to cover the billing cost with Verizon. So, what can we do? What must we do? How can we do it?

The Northwest Area has answered by sponsoring a Speaker JAM fund Raiser for the Phone Line this month. This will not be enough, but it is a beginning. Unity Subcommittees; we call out for your help, support and ideals to keep the Phone Line a float.

The GPRPhone Line Committee would like the opportunity to speak to your area service body this year. We will be contacting you in the near future.

Love and Respect
