

**Why Do We Ask You To Register?**

You must register and wear your badge to attend all functions at the convention. The monies collected from registration are used to pay for convention related expenses. We believe that once this is understood, the purpose for registration should be clear.

Pre-registration affords members an opportunity to purchase tickets and registration packages at a discounted price, while allowing us to collect funds to meet the expenses of hosting a convention. As a member, we hope that you will feel privileged to register.
